

Northeast Tennessee Prevention – Draft Agenda

Introductions and updates from the program or community

1. News from Nashville (TPAC meeting)
2. Regional Booklets (please take some with you, think about where and with whom you can distribute them) - discuss updating them.
3. Updates from the region / state on Synthetic Drugs.
4. Updates on Tobacco / SYNAR efforts
5. Regional Beer boards – We started talking about beer board policies / rules (usually in their ordinances). This is the rules about permits and consequences if they do not follow the rules. Also if you can get the description of the process for getting a beer license. If you are a coalition leader this is useful information and we will tell you why.

BRING A LAPTOP IF YOU HAVE ONE!!

1. Discuss / Explore electronic meeting options. So we can communicate and plan in between meetings.
2. Samara Litvak will update us on the media and PR activities for the regional group and check in about topics and issues in the coming months.
3. Christian Schmid from Core Design will be here. Review of the Facebook page, and web page. (the basic draft will be up and running by then He will also show everyone how to sign-in to the web site and make minor changes / adjustments. TRUST ME... if you can open a document and make changes, you can make changes to your part of the site.
4. Review of Prevention Certification process (on-line application process. This will be necessary for anyone with a prevention contract with the state).
