

### **Social & Retail Alcohol Access Survey for Youth**

We are collecting information through this survey as part of the Tennessee SPF-SIG Project, which is a project to prevent substance use and reduce substance abuse related problems in our communities. Your participation in this survey is voluntary and you are free to end your participation in this survey at any time. You are also free to not answer any questions that make you feel uncomfortable. Your responses will remain completely anonymous and your responses will never be associated with any information that could possibly identify you. As such, there are no foreseeable risks for participation in this survey. Only summary data will be used by the researchers, and no individuals or their responses will be identified. The survey only takes about 5-10 minutes to complete.

If you have any questions about this survey, please feel free to contact Pramod Dwivedi (pdwivedi@pire.org) or Melissa Harris (mharris@pire.org). If you have any questions about your rights as a research participant, you may also call Elysia Oudemans, PIRE's Manager of Research Integrity Compliance, at (866) 747-3674, ext 2757. Thank you in advance for your time.

If you choose to participate, please go to the next page to begin the survey.

**Note: This survey is for people who are 20 years of age or younger. If you are 21 or older, please complete the adult survey.**
