

Monthly Coalition Report

Insight Alliance **October 21, 2011**

Recent Events

↘ **Carfit Event** – On October 6, we had the opportunity to participate in Carfit, put on by AAA and the SALT council. Approximately 20 cars came through to be evaluated and received tips and information on how to adjust their vehicles to fit them better and keep them safe on the road.

↘ **Yes to Fishing** – Held on October 8 at the Legion Street pool, Yes to Fishing gave children and parents the opportunity to fish in the pool and pick up some valuable information along the way. Invited JC Power Board superhero Will Power

↘ **Chamber of Commerce Small Business Breakfast** –

Upcoming Events

↗ **October 28, 2011 – Teen Drug Culture 2011** 8am – 4pm Wesley Memorial UMC

↗ **October 29, 2011 – Rx Disposal (DEA Date)** time and location TBA

↗ **November 18, 2011 – Technically Speaking** 8am-3:30pm at Summit Leadership

Heroes

The student, staff and community surveys have been analyzed and the results were given to the Core Management Team.

30 day use of alcohol, tobacco and marijuana has decreased from baseline.

On October 13 and 14 The Core Management Team met with the Communications expert and the Technical Advisor assigned to our project.

They will be working with Project Director, Greg Wallace to create presentations for a variety of audiences including Johnson City government, school board and service groups.

Weed and Seed

Jennifer's Updates –

Prevention Certification Board – those interested should be able to start filling out their applications by mid November. Keep an eye on the website www.tncertification.org. Next week I will be attending the semi annual meeting for IC and RC.

Regional group will soon have a website and has a new logo
